PARENTAL ROLES, RIGHTS, AND RESPONSIBILITIES

Role of Parents

Parents have the God-given natural right to educate their children. They are acknowledged as the first and foremost educators of their children. Parents have an obligation to raise their children in an atmosphere of love and respect that is reinforced by the school to produce exemplary Christian citizens.

1. As a primary role model for their children, parents will demonstrate Christian values that are the foundation of the Catholic faith and school.
2. Parents will maintain open communication with their children's teachers and schedule conferences to discuss issues that they feel may be in question between a teacher and the child. They will not negatively empower children by talking about a teacher in front of them.
3. Parents will teach children to respect the dignity of all human beings. Parents will not allow children to talk about or put down teachers or classmates.
4. Parents will teach children respect, responsibility, and resourcefulness. Children who respect teachers, pay attention. Children who accept responsibility do quality work at all times. Children who are resourceful will not give up when the going gets tough. Such children are better learners.
5. Parents will take a responsible attitude toward the support of the school. If they have a problem, they will discuss the issue with a teacher or administrator. They will work together with the school to make Corpus Christi Catholic School the best.

In conclusion, parents will encourage children to be respectful, responsible, and resourceful. Working as a team, supportive parents, dedicated teachers, and a strong spiritual foundation give children the tools they need to succeed. In support of Corpus Christi Catholic School, all parents must agree that these guidelines are essential and will abide by these codes.

Rights of Non-Custodial Parents

At the time of registration, parents shall provide accurate information regarding custodial care of the student and visitation rights. Upon request, parents shall furnish to the administrator a copy of any relevant court order so as to ensure the safety and welfare of the student. Parents shall have a continuing duty to apprise the school of any change in the custodial care of the student and of the issuance of any court order restricting or prohibiting parental or third party access to the child.

Unless prohibited by order of the court or other legally binding instrument, a non-custodial parent shall have the right of access to school records relating to his or her child and, upon where written request, may receive copies of all notices relating to the school and school activities. The non-custodial parent is responsible for any costs incurred by the school relating to these provisions (i.e.postage).

SCHOOL PROGRAMS

Religious Activities

Religion is the core subject of the curriculum and permeates the entire curriculum. The Religion Program includes instruction by the classroom and religion teachers. It affords the opportunity to live and practice Christian principles. All students are expected to participate fully in all aspects of the religious program. Non-Catholic students, however, may not participate in the actual reception of the Sacraments. We firmly believe that the religious learning experiences must go beyond the school day. The school uses the religious training begun by the parents in the home as a basis from which to foster the spirit of Christianity. Also, the participation of our school parents adds great value to our weekly liturgies and sacramental programs.

The children attend special liturgies and Mass regularly. Second grade students are prepared to receive the sacraments of First Reconciliation and First Eucharist.

Many other religious activities and celebrations are scheduled throughout the year. Receptions are held following First Reconciliation, First Eucharist, and Confirmation. (As part of the parish community, we encourage your support in furnishing refreshments for these receptions.)

Academics

Our Catholic faith is the foundation upon which every aspect of our curriculum is built. The teachings of Jesus are at the heart of our curriculum. It is our faith in Him that guides our efforts to meet the academic, physical, emotional, and spiritual needs of our children while meeting and exceeding all requirements of the State of Alabama and the Office of Catholic Schools.

Our curriculum is made up of core academic subjects, as well as computer education, physical education, and fine arts. Requirements based on national standards or objectives, standards established by the State of Alabama in its Course of Study, and learner expectations developed by the Office of Catholic Schools (OCS), provide students with a challenging program that is accredited by the Southern Association of Colleges and Schools (SACS).

Evaluation

Report Cards - Pupil report cards present a concise picture of achievement and conduct in all subject areas. The parent and child should review each report to note strengths and weaknesses. The report cards should never be used to compare a student with another, but rather as a tool by which students can compete with themselves to achieve their highest potential. Report cards are issued quarterly. They are not returned to the school.

Grading Practices

Kindergarten

Academic and Self-discipline Skills Progress Codes

C - Demonstrates consistently and independently. After a skill is taught, the student is able to perform the skill or activity independently.

S – Demonstrates sometimes with support. The student has not yet mastered the objective and needs assistance from the teacher when asked to apply the skill or perform the activity.

N – Needs continued development.

Black space indicates not assessed during the marking period.

Some children are not ready to master a skill. This indicator does not mean the student is not learning or unable to learn or choosing not to learn. It does mean that child needs more time to develop before being able to master the skill.

All skills on the progress report should at least be introduced by the fourth quarter.

Components for Grades

Grades are determined using 3-5 components with no one component weighted more than 40%.

Semester Exams- Students in grades 6-8 take semester exams. Exam grades, which count as two test grades, are averaged into the second and fourth quarter grades.

Mid-Quarter Reports - Mid-Quarter Reports are sent home with students in grades 3-8 who have a C average or below. (Parents may request progress reports and teachers may send individual reports home at any time either deems it necessary.) These give an indication of work efforts before the progress report itself is issued. They are signed by the parent and returned to the teacher.

Conferences - Parent-teacher conferences are held after the first and third progress report periods, but may be scheduled at any other time as needs warrant. These conferences give the parent and teacher a chance to discuss the individual student's progress.

Testing - The Archdiocesan testing program provides for ability and achievement testing. Students in grades 2-8 take the Iowa Test of Basic Skills. In addition, the Cognitive Abilities Test is taken in 4th and 7th grades.

Special Program Process - "Special Program" is only used when a student is performing one or more grades below present placement in language arts and/or math. Standardized test scores and/or psychological evaluations may be used to determine the need of a special program.

Instructional materials for a special program may/may not be the same as those used in the classroom. The instructor of the special program (i.e., resource teacher, other classroom teacher) will give the student's report card grade.

The instructor's name, if other than the classroom teacher, is placed next to the subject on the report card.

"Special Program" notation is used on the report card. An asterisk (*) is used following the letter grade achieved in the defined special program subjects (reading, writing, and/or math).

A copy of the "Special Program" Form 6 should be kept in the student's cumulative file. When a student's records are transferred to another school, the special program Form 6 should be sent with these records.

Promotion/Retention - In decisions to “Promote or Retain” a student, the following factors must be considered:

- Current report card grades
- Grades 1 and 2: A yearly average of “F” in Reading, Writing, or Math
- Grades 3-8: A yearly average of “F” in two core academic areas in grades 3-8. (Religion, English, Reading, Math, Social Studies and Science)
- Past academic records, previous grade retention, standardized tests, CoGat scores
- Age, emotional development and social skills of student
- Present grade placement
- Present family history: divorce, death, siblings, etc. and parent support
- Regular attendance
- Approval of the principal

Awards

Recognizing academic success is an important aspect of school life. Each quarter, students are recognized for achieving high academic standards.

Upward Bound Program - The Upward Bound Program recognizes students in grades 4-8 who improve their grades in one or more subjects while maintaining all other grades.

Honor Roll - Grades 4-8 a minimum of 5 “A’s”, the rest “B’s”, and nothing below an “S” in Art, Music, Special classes, Spanish. Students must have a “G” in conduct.

Principal's List – This award is given to a student who receives all “A’s” and “S’s” for the quarter and nothing below a “G” in conduct.

Christian Attitude Award- This award is given quarterly to two students in each class who consistently display Christian values, attitudes, and actions.

Cougar of the Month-This award, sponsored by the school’s business partners in Education, recognizes an outstanding primary, elementary, and Jr. high student.

Accelerated Reader (AR) - Students in grades 3-7 are recognized for reaching their AR goals all four quarters.

Homework

Homework is an integral part of the school program. It is designed to supplement, complement, and reinforce classroom teaching and learning. Since individual differences cause student performance to vary greatly, it is impossible to set strict time limits on the amount of homework given. If a child, working steadily, cannot complete the work in a reasonable amount of time, the parent and teacher should meet to discuss the problem.

Since each student is expected to complete all homework assignments, failure to do so will alter the student's grade for the term. Parents are encouraged to take an active interest in homework assignments in order to detect problems in understanding, but should **NOT** feel free to excuse a child from doing homework in order that he or she may attend a party, a game/practice, or any other social event. Participation in sports and other extracurricular activities is encouraged, but should not interfere with schoolwork. These afternoon activities are not excuses for inadequate preparation for class. Parents should strive to balance a child's activities to provide sufficient study time as well as time for leisure and family activities.

Types of homework assignments include, but are not limited to the following:

1. Complete unfinished classroom assignments.
2. Additional practice to strengthen new skills introduced in class.
3. Researching long-term or short-term projects.
4. Extended classroom reading.
5. Study material for a test.
6. Other assignments as specified by the teacher.

Assignments, with the exception of homework, will be lowered one letter grade for each day the assignment is late. After three days, the child will receive a zero. Teachers may require students to redo an assignment if it is not submitted in a satisfactory manner.

Homework is to be done the night it is assigned unless the teacher gives prior permission for it not to be completed. Homework that is not turned in the following day or whenever it is due will be given a ZERO.

Homework assignment pads are required for grades 2-8.

Homework Page - Homework is posted on Rediker plus portals. Follow the link on our website.

Homework for Absent Students - To request homework, you **must** call the school office by 9:00. Assignments may be picked up after 2:30.

Make-up Work -Students who are absent due to illness must complete missed class work/homework within three days of return to school. Work missed because of vacation is due upon return to school.

Discipline Procedures

Kindergarten-Second Grade

Each teacher implements a conduct and discipline system that is developmentally appropriate for the student's age level. The approaches in each class include incentives for good behavior as well as consequences for inappropriate behavior. If a student experiences, or parent or other student witnesses any incident of bullying, the incident must be promptly reported to the school administrator. The administration will provide the student/parent with the Bullying Report Form, which must be completed, dated, and signed by the reporting party in order to assist the school in its investigation.

Report forms will be retained at school until the students involved leave the school.

Disciplinary Action:

Any student found to have violated this policy will be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion and/or notification to appropriate authorities. Sexual Harassment Policy

The administrator and staff of Corpus Christi Catholic School believe that all employees and students are entitled to work and study in school-related environments that are free of sexual harassment. Corpus Christi Catholic School will not tolerate harassment of any type, and the appropriate disciplinary action will be taken. Disciplinary action may include suspension or expulsion.

Examples of peer sexual harassment include, but are not limited to, verbal or written taunting, bullying, intimidating, hostile or other offensive conducts; jokes, stories, pictures, cartoons, drawings, or objects which are offensive, annoy, abuse or demean an individual or group.

Child and Adolescent Protection Policy

In a pastoral effort to respond to a heightened need for the protection of our children, the Archdiocese of Mobile is requiring a catechesis be given to children in all grades of our Catholic Schools and Parish Religious Education Programs. This catechesis is required to be completed during Respect Life Week, the first week in October each school year. Principles for Child Protection Catechesis, Teaching Objectives for Parents and Teachers and Learning Objectives for Students form the foundation for lessons to be taught in the classroom to support parents in providing the education and guidance children need to be safe.

All priests, deacons, school administrators, teachers, youth ministers, parish catechists, support personnel, coaches and volunteers will be required to attend training in the prevention and recognition of all forms of abuse against children. In addition, parents will be given information to help provide their children the guidance needed to be safe. Finally, all persons who work with children in the Archdiocese of Mobile will be required to have background checks.

Policy for Communications with Minors

All who serve the mission of the Catholic Church within the ministries of the Archdiocese of Mobile must comply with this "Policy for Electronic Communication with Minors" and with the "Child Protection Policy" issued by the Archdiocese. In case of conflict between the two policies, the "Child Protection Policy" shall govern. As dictated in the Child Protection Policy, a minor is an individual who is 18 years of age or younger.

This policy covers all forms of electronic communication, including but not limited to: social media platforms, blogs, websites, phones and related devices, e-mail, texting, video conferencing and/or streaming, etc.

When communicating electronically with minors:

- The pastor, principal or supervisor (in non-parish or school entities) must approve of all methods of communication utilized for communication with minors. The primary purpose of any approved platform is for providing information and communication related to a ministry or event and not for socialization or other personal interaction.
- Parents must be notified of all methods of communication that are used in each particular ministry and must be granted access to participate in such communications.
- When communicating in mass, another adult within the ministry must be included in the recipient list. The originator and the other adult cannot be related.

- No one-on-one communication between an adult and a minor can take place. In the case where a minor contacts an adult and a response is necessary, the adult must include another unrelated adult within the ministry on the response.
- Acceptable delivery time span for all forms of electronic communication is 6:30am to 9pm. Communication outside of these acceptable delivery hours may be used only in emergency situations or to communicate time-sensitive information related to the ministry or event.
- Avoid any communication which might be construed as having sexual overtones. Do not reply to any such communication received from minors; notify your pastor/principal/supervisor immediately, make and keep a copy of the inappropriate communication, and share the copy of the inappropriate communication with your supervisor within 24 hours.
- Communication from minors which conveys the potential of harm to themselves or others can be attended to immediately, regardless of the hour. Notify your pastor/principal/supervisor immediately. Counseling is not appropriate for electronic communication.

Policies specific to platform types:

Via Social Media and other web-based platforms:

- All interactions must be through ministry accounts, never personal accounts.
- Accounts must be monitored by at least two adults of the organization, one of which must be an employee of the parish, school, ministry or archdiocese. Names of sites used, usernames and passwords/codes for access to the site must be given to the pastor, principal or supervisor and/or their designate.
- Identifying information and/or photo or video depiction of minors web-based platforms may only be used with parental permission.
- Age guidelines established by the web-based platform must be followed.
- Platforms which allow content to “disappear” are not permitted.
- Care must be exercised when utilizing platforms which allow for streaming video in real time, with respect to privacy issues and possible conflicts with Catholic belief and values. Via phones and related devices:
 - Parents of students 8th grade and younger must give prior written permission for their children to be included in group ministry communication. In regards to personal social media accounts:
 - If an employee, cleric or volunteer identifies himself/herself with a ministry of the Archdiocese, the following must be reasonably prominent: “The views expressed on this website are mine alone and do not necessarily reflect the views of the Archdiocese of Mobile and all its entities.”
 - Any information that causes embarrassment to the Archdiocese and all its entities must be avoided.
 - Archdiocesan, parish and school trademarks or logos may not be used as personally identifying features.
 - Employees or volunteers of the Archdiocese and its entities may not initiate or respond to personal social media requests involving minors where no relationship outside of the ministry had been previously established.

Duty to Report Child Abuse

All SUSPECTED instances of child abuse or neglect will be reported as required by State law. Reporting procedures established by the Mobile Archdiocese are followed when making reports to the Department of Human Resources.

Weapons Policy

Our Lord Jesus Christ came that we might have life and have it in all fullness. Therefore, Catholic Schools promote the sanctity of human life and express concern for the dignity of every human being. It is essential that Catholic Schools provide a safe academic and social environment for their students, teachers, staff, and parents. The possession of dangerous weapons is a threat to the health, safety and well being of students, teachers, staff, and parents in Catholic Schools. Therefore, it is appropriate to adopt a policy applicable to all schools banning the possession of dangerous weapons on school premises or at school sponsored activities.

It is strictly forbidden for any student to possess a dangerous weapon on school premises, in a school owned vehicle, or during any school sponsored trip or activity. A dangerous weapon or instrument is defined as follows:

DANGEROUS WEAPON:

A dangerous weapon is a firearm anything manifestly designed, made, or adapted for the purpose of inflicting death or serious physical injury. The term includes but is not limited to, a pistol, rifle, or shotgun; or a switchblade knife, gravity knife, stiletto, sword or dagger; any billy, blackjack, bludgeon, or metal knuckles.

If a violation of this policy occurs, the principal should immediately notify the Superintendent. Any student found to be in possession of a dangerous weapon or facsimile of, shall be expelled or suspended. The principal of the school where the violation occurred shall determine whether the student shall be expelled or suspended. Suspension from the school where the violation occurred should last to the end of the current school year. The student may return to his home school at the beginning of the next calendar school year. In the cases where there are substantial mitigating circumstances, the principal may reduce the term of suspension upon consultation with the Superintendent.

The steps and procedures used when the Weapons Policy of the Archdiocese of Mobile is violated, shall include, but are not limited to the following:

- Immediately notify the Superintendent.
- Contact Parents.
- Suspend child from school immediately pending investigation.
- Complete an investigation as soon as possible.
- Discipline student according to Archdiocesan policy.
- Should student be expelled for a firearm violation, it should be reported to law enforcement.
- Should student be expelled for a firearm violation, it should be noted in any student records transferred to any other school.

Consent to Withhold Directory Information

The Family Education Rights and Privacy Act (FERPA) defines "directory information" as information contained in the education records of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Typically, "directory information" includes information such as name, address, telephone listing, date and place of birth, participation in officially recognized activities and sports, and dates of attendance. A school may disclose "directory information" to third parties without consent if it has given public notice of the types of information which it has designated as "directory information," the parent's or eligible student's right to restrict the disclosure of such information, and the period of time within which a parent or eligible student has to notify the school in writing that he or she does not want any or all of those types of information designated as "directory information." (34 CFR § 99.37) This form serves as public notification of the parental and student rights under the FERPA provisions.

Furthermore, it is the policy of Corpus Christi Catholic School that we may release photographs of students for the use of publicity (including printed and Internet publications), statistical data of officially recognized activities and sports, awards, scholarships and other honors released to the media.

SCHOOL RULES AND REGULATIONS

Daily Schedule

First bell rings 7:45 a.m.

Tardy bell rings 7:55 a.m.

Dismissal bell rings 3:00 p.m.

Attendance Guidelines

Tardies

Parents should make every effort to have their students arrive on time for school and remain for the full day. Daily attendance is required except for illness or emergency. A student must be present in class for 3 academic hours in order to be marked present. Tardiness and absences can be detrimental to a child's work and progress. If a student is tardy, they must present a parent or doctor/dentist note to have the tardy excused. **The only acceptable excused tardy will be with a doctor's excuse, traffic accident, or at the principal's discretion.**

Should a student's tardies/early dismissals (excused and unexcused) exceed 10 days, the parent/guardian will receive a warning letter from the school administration. Tardies that exceed 30 will result in a mandatory conference between the parent/guardian and an administrative team, as determined by the principal. In addition, the local truancy officers may be notified.

Early Dismissal

Students who have an early dismissal must be checked out by 2:40. Students may not be picked up between 2:40 and 2:50.

Every 10 tardy/early dismissals, will convert to one absence.

Absences

For an absence to be excused, the parent/guardian of the student must send a written note with the student when he/she returns to school. Students must be present for one-half of the school day to be counted as a day on roll.

Absences will be excused for:

- Illness
- Death in the immediate family
- Emergency conditions as determined by the principal
- Out of town trips with prior consent of the principal

Students are allowed up to, but not exceeding 10 excused absences for the school year.

Should a student exceed a total of 10 excused/unexcused absences per school year, the parent/guardian will be contacted by the school to determine the reasons for the additional absences. Should it be determined that the

additional absences are due to extenuating circumstances, the principal may make exceptions to the 10 allowed absences.

Should a student exceed a total of 15 excused/unexcused absences per school year, a mandatory conference must be held between the parent/guardian and an administrative team, as determined by the principal.

Should a student exceed a total of 20 excused/unexcused absences per one school year, the local truancy authorities may be contacted. The school administration will follow the recommendations of the truancy authorities. The Office of Catholic Schools will be notified of all students who exceed 20 absences.

Parents will be notified when their child is in danger of failing because of repeated absences. State law mandates that a student who has in excess of 16 absences (excused or unexcused) may be retained in present grade at the discretion of the principal.

Make-up Work for Vacation Absences

Attendance at school is essential to a successful school year. We rely on parents to avoid unnecessary absences from school. In the case of an extended absence of two or more days due to a trip or vacation, **parents must submit written notification to the principal at least five (5) days in advance for the absences to be excused. The principal will notify the teacher.** It is then the responsibility of the student/parent to make arrangements with the teacher for assignments. If teachers assign work before the absence, the work is due the day the student returns to school and tests must be taken within two (2) days of return. If the student does not receive work before the absence, the student will have three (3) days to make up work and take tests. Work that is not completed within the required time will receive a zero (0). Teachers will make every effort to give students all missed assignments but they will not repeat any missed instruction.

Morning and Afternoon Supervision

The school does not assume responsibility for supervision except at appointed times. Students arriving before or staying after supervision do so at their own risk. Students arriving after 7:00 a.m, but before 7:30 a.m. will be supervised in the Cougar Den (Grades Pk4-2) or the library (Grades 3-8) by Corpus Christi staff members. Prior to 7:00, supervision will be available at the Child Development Center for a daily fee of \$3.00. After school care is offered for students until 5:45 daily. Charges for the After School Program are as follows:

1 child: \$40.00/week

2 children: \$60.00/week

3 children: \$80.00/week

(One week consists of three days or more)

Drop in rate/child \$10.00/day. Late fees after 5:45PM (10-15 minutes late) \$10.00/child

Students remaining at carpool at 3:30 will be signed into the afterschool care program and parents will be charged the daily fee occurrence. Students participating in sports or other extra-curricular activities after school are to report directly to the area of participation **no earlier than 10 minutes before the scheduled time and must leave the property immediately following the activity unless the parent or guardian is present.**

Guests

Students who wish to bring a guest to campus during school hours should request permission for the visit from the office prior to the visit. Guests should be suitably dressed. Students enrolled in Mobile/Baldwin County public or private schools are generally not allowed campus visitations. The office must approve exceptions to this general prohibition.

Weather

The decision to cancel classes due to adverse weather conditions is made by the Superintendent's Office and communicated to the mass media through established channels, usually within minutes after the decision is made. Appropriate announcements are then broadcast. When threatening weather conditions exist, stay tuned to the mass media. It is important to remember that we will not necessarily do the same thing as the public schools. They have things to consider, such as buses driving in severe weather, which is not an issue for us. Public schools may cancel school or dismiss early, but the Catholic Schools may not. It is important to listen to the media for information about Catholic Schools. Archbishop Rodi, and Ms. Byrd, our superintendent, will make the decision and will notify the principals who in turn will notify the parents as quickly as possible. You will receive a notice from school. In the event of an early dismissal, it is asked that you not call the school. That ties up the phone and causes disruptions in the office.

Class Parties

Each class is able to have a Halloween, Christmas, and End of the Year celebrations. The Room Mothers and teacher coordinate the party. Parties last 45 minutes allowing 15 minutes for clean-up prior to dismissal.

Birthday parties

Students may celebrate their birthdays with their class by bringing in a small treat for each child. The teacher will determine the best time to share the treat.

Invitations

In order to avoid unintentional embarrassment to a student, invitations to social events may not be passed out at school unless all students in the room are going to be invited. Exceptions to this are all-girl or all-boy events to which all of the girls/boys in the room are invited. Groups of students may not be dismissed from school early to attend a party. At such parties it is the responsibility of the parents and chaperones to enforce proper behavior.

Dances

Corpus Christi Catholic School does not sponsor dances.

STUDENT PROGRAMS

SCHOOL SERVICES

Media Center - The library collection has been entered on a database and there are three computer stations available for searching. Circulation is computerized. On line encyclopedias are available to the students for research projects. The director coordinates the school's instructional resource center and its various types of media. Materials are readily available to teachers and students. Students visit the center on a regular basis and also at the direction of the teacher for special projects. Students are responsible for returning books on time or pay a late fee. The student must replace damaged or lost books.

Counselor – A kindergarten through eighth grade school counseling program is an integral part to the total educational process. Student, teacher and parent needs must be met in order to facilitate learning in the optimum educational environment. Counselors in Catholic schools enhance the learning environment by providing many services. Among these are: individual and small group counseling, coordination of school/community outreach, teacher support, parent support, academic support of the student, promotion of a healthy Christian lifestyle, coordination of the bullying and sexual harassment curriculum and coordination of the Archdiocese of Mobile's Children and Adolescents Protection Program. In addition, school counselors are required by law to report suspected abuse or neglect. Finally, school counselors meet the developmental and educational needs of students through classroom guidance. These needs have been identified by the Alabama Department of Education. They are personal development, educational development, social development and career development. By targeting these areas of development, school counselors can help their students meet the demands of school as well as the demands of our world today. A curriculum to guide counselors in the education of their students in the four development components is provided. It is based on the 2003 Alabama State Plan for guidance standards and includes objectives to be met for each component.

Resource Room - The Resource program provides assistance to children with special learning needs. A primary, elementary and a junior high resource teacher work closely with classroom teachers to provide the optimum learning experience for all students. A copy of a current psychological/educational evaluation must be on file in the office for a child to receive academic accommodations, such as taking tests outside of the classroom or extended test taking time. An additional fee is required.

STUDENT HEALTH GUIDELINES

Immunizations

All students enrolled at Corpus Christi Catholic School must have current immunizations. An exemption to this policy will be made in the event that a student has an illness that would compromise his/her life by being immunized. Non-Catholics who have a religious exemption who provide the proper immunization form will also be exempt.

Medication, prescription or non-prescription, is given to students only with a prescription signed by a physician. The parent/guardian must supply all medication with the prescription. Medicines must be left in the Health Room in the original containers, with explicit written directions for administration. It is important for school personnel to know when children are placed on medication, or when their medication or dosage is changed. Please keep us informed in this area.

An emergency notification number must be supplied for use when the parents cannot be reached. Also, when parents are out of town, and a third party is caring for their children, the necessary names and telephone numbers should be given to the school. We make every attempt to contact the parents when a child becomes ill at school. However, there are occasions when this is not possible. The emergency notification number is then used to try to locate the parents or find someone to care for the child until the parents can be reached.

When children do not feel well in the morning, **PLEASE KEEP THEM AT HOME.** While it is admirable that they would want to "try to make it through the day," they run the risk of possible infection to others. **Children who have had a fever, vomiting or diarrhea should be kept at home for 24 hours after their temperature has returned to normal and there is no more vomiting or diarrhea. Students with fever, vomiting or diarrhea will be sent home.**

Health Room

Full-time personnel assist students who become ill or are injured during the school day. The Health Room administers all medication. A doctor's prescription is required for all medicine administered. This includes both prescription and over-the-counter medication.

Peanut Butter/Peanut Products

In most classes, students may bring peanut butter and peanut products for lunch. However, a number of students have peanut allergies so severe that hospitalization has occurred because of a reaction to peanut butter and/or peanut products. When this is the case, we will designate a classroom *peanut free*. *If you have been notified by your child's teacher that a student in the class has a peanut allergy, you may not send any peanut products to school with your child for snack.* This also applies to snacks and lunches for field trips. This includes anything made with peanut butter or peanut products.

We have a special table, *the peanut-free table*, in the cafeteria for students with peanut allergies. Students who have anything with peanuts may not sit at that table. Students are encouraged to wash their hands after eating peanut butter at lunch, since students with a severe allergy are often affected by just touching someone who has had peanut butter or by even smelling peanut butter.

FIELD TRIP GUIDELINES

Students are given the opportunity to enhance their academic and cultural development through field trips. Opportunities to attend plays, symphonies, art exhibits, museums, special movies, and community exhibits, etc. occur throughout the school year. Field trips are a privilege. A student must have shown that they can behave at school before they are allowed to attend field trips. A bus may be rented with children paying a small amount to cover the cost. However, in most instances the school depends on parents for transportation and help with supervising students. We also ask that parents participating with field trips not bring younger children with them. As a chaperone, your help and attention are needed for the students. Refunds will not be issued.

Field Trip Chaperone Rules

Volunteering to chaperone for a school field trip is a very important job. Teachers depend on parents to assist in maintaining order and keeping children safe. Please keep the following rules in mind when going on a class excursion.

1. All parents/volunteers must receive Child and Adolescent Protection Policy training before a field trip.
2. If assigned a group, you must stay with the group at all times. Students should never be left unattended.
3. Siblings are not allowed on field trips.
4. Chaperones must maintain order on the bus or in cars. No walking around or loud talk is permitted on the bus.
5. If personal vehicles are driven, a current insurance record must be on file in the office. (\$100,000/\$300,000)
6. Chaperones must make sure students are following the guidelines established by the facility that is being visited.
7. No stops or detours may be made that are not noted on the parent permission form.

Your help and support is greatly appreciated by the teachers!

School Advisory Committee

The School Advisory Committee is a duly constituted elected committee whose authority is derived from the Ordinary of the Diocese and the Archdiocesan Board of Education. Called into being by Corpus Christi Parish, it has the specific mission of providing quality Catholic education for all those children in the parish whose parents desire to take advantage of such an opportunity. *The three main responsibilities of the board are finances, policy-making, and development/public relations.*

Parent Volunteers

Parent volunteers make an invaluable contribution to the success of our school program. Some tell stories and play games with students in the primary grades. Some help with art or music. Others lend support during school projects such as Book Fair or other fundraisers. Parents with unique skills or experience help in various ways. Parents assist with projects such as, landscaping, playground maintenance, computer technology, foreign language, special education resource, and guest lectures. Those who wish to volunteer are encouraged to do so by calling the Public Relations office. Parents with special talents or experiences are urged to discuss sharing these with the appropriate teacher. Those gifted in grant writing, and wishing to help, may contact a School Advisory Committee member or respond to the Time & Talents request form.

CORRESPONDENCE AND COMMUNICATION

Parent Teacher Communication

Communication between parents and teachers is an important and integral part of Corpus Christi Catholic School.

1. The procedure to arrange a meeting with a particular teacher is to call the school office or to send a note/e-mail to the teacher requesting such a meeting. Such a note or phone call should include more than one time over the next several days that a parent is available to meet.
2. Immediately before school or after school is not an appropriate time to have unscheduled discussions with a teacher. All teachers have duties both before and after school. A teacher may arrange to meet with parents before or after school or even during the school day, but such a meeting or discussion needs to be arranged in advance. When approached by parents before or after school wanting a meeting, teachers have been instructed to ask the parent to send a note/email or to call the office to arrange a mutually convenient time for a meeting.
3. Discussions between teachers and parents should not take place in front of students unless both parties agree that a particular student needs to be present.
4. If at all possible, within 24 hours, teachers will acknowledge parent calls or messages.
5. Complaints should be handled at the lowest possible level. Persons with concerns should first attempt to address the concern with the teacher. Only after such attempts have failed, should the assistant principal or principal be contacted.

Announcements

Persons wishing to have information announced through the Morning Roar daily announcements are to write them on the appropriate forms available in the office and place the forms in the announcement box. Announcements should be turned in on the day prior to when they are to be announced. They should be signed, dated, and approved by the Principal.

Telephone usage

In order to keep the school office telephone available for emergency and business calls, students may not make calls except for an unforeseen reason of a pressing nature. Children will not be allowed to call parents for items left at home. Children should have after school plans and carpools discussed with their parents before leaving for school in the morning. Only vital telephone messages will be delivered to students.

Messages home

Cougar Connection- The Cougar Connection system is used to send messages home from the school office on the first and third Monday of the month. The information is also posted on our Rediker information system.

We welcome parents to submit items for consideration to be included in the Cougar Connection. All items to be included **must be submitted to the school office on, or before, the Thursday before distribution**. Once approved, a copy must be sent to the PR Director as an email attachment (see below for the email address.)

Items will be approved for inclusion if the items are deemed to substantially benefit and not conflict with student involvement in School, Parish, and Archdiocesan activities. Items must also benefit the students academically, athletically, artistically, or spiritually.

Other items that are automatically approved for inclusion in The Cougar Connection are:

- items that are official school business
- items regarding approved fundraising programs

Items which are primarily intended to advertise a business or result in business or personal profit and which do not substantially benefit the student, School, or Parish will not be allowed in The Cougar Connection.

PR Director email: sgillis@corpuschristiparish.com Please include *Cougar Connection* in the subject line.

Calendar

Our yearly calendar can be accessed on Rediker. The school also publishes and distributes to families a monthly calendar containing information on upcoming events. Parents wishing to include information of general interest to the school on the monthly calendar should provide this information to the office no later than five working days before the end of the month.
